My dream has always been to be a soccer coach, and I truly love being able to pass on my Football knowledge and experience. I have been fortunate enough to have traveled many different places and experience different styles of coaching. I like to challenge myself in finding different ways to teach and guide the up and coming footballers. I strive in connecting with each player I coach to better strengthen the development of their individual technique, and to broaden their awareness of the game.

Skills

- Fluent in both English and Spanish.
- Strong training, supervising, and leadership skills.
- Excellent knowledge of club soccer and game techniques.
- Exceptional motivating and coordination skills.
- Skilled in recognizing and working on players' weakness and strengths.
- Ability to generate detailed training sessions for a single player and the entire team.
